

Lovelace Westside Hospital

"For over 30 years, Lovelace Westside Hospital is proud to provide the highest quality of care close to home, alongside the expanding Westside of Albuquerque and Rio Rancho. Our community hospital delivers a wide range of medical services, surgical services, and imaging, such as radiology, CT and MRI. We also provide specialized sleep studies, women's health services and more. Not only do we offer our patients shorter ER wait times, Lovelace Westside Hospital has been recognized by the American Heart Association for its commitment to guideline adherence and quality improvement for stroke patients and has been named a best place to work by multiple local and national organizations."

Derrick Jones, CEO
Lovelace Westside Hospital

Lovelace Westside Hospital

For over 30 years, Lovelace Westside Hospital has been committed to offering Rio Rancho and Westside residents the highest quality care.

Our 24-hour emergency department offers patients the ability to see a provider in about 30 minutes or less and also includes dedicated private rooms for our senior patients and for children.

Lovelace Westside Hospital offers a wide range of inpatient and outpatient surgical capabilities such as orthopedic, Ear Nose and Throat (ENT), gastroenterology and bariatric service lines.

We are also home to a state-of-the-art sleep center, providing diagnostic testing and a treatment program to improve the quality of your sleep.

We use a care team approach to engage and partner with patients and families to promote optimal outcomes. Patient-and family centered care is a mutual partnership between health care providers, patients and families. We will plan, deliver and evaluate your health care together so you can expect a safe and high quality hospital stay.

With a full range of medical and surgical services, you're going to love Lovelace Westside Hospital.
