

“Beyond offering shorter ER wait times, Lovelace Westside Hospital is recognized by the American Heart Association for its commitment to guideline adherence and quality improvement for the Stroke patient population, and has also been recognized as a best place to work consistently by multiple local and national organizations. We offer services tailored to everyone in the family, from children to seniors. Our hospital provides superlative surgical services, sleep studies, women’s health services and more. We have expanded our services and continue to do so, as we grow alongside the Westside and Rio Rancho.”

Lovelace Westside Hospital

For over 30 years, Lovelace Westside Hospital has been committed to offering Rio Rancho and Westside residents the highest quality care.

Our 24-hour emergency department offers patients the ability to see a provider in about 30 minutes or less and also includes dedicated private rooms for our senior patients and for children.

Lovelace Westside Hospital offers a wide range of inpatient and outpatient surgical capabilities such as Ear Nose and Throat (ENT), bariatric and orthopedic service lines.

We are also home to a state-of-the-art sleep center, providing diagnostic testing and a treatment program to improve the quality of your sleep.

We use a care team approach to engage and partner with patients and families to promote optimal outcomes. Patient-and family centered care is a mutual partnership between health care providers, patients and families. We will plan, deliver and evaluate your health care together so you can expect a safe and high quality hospital stay.

With a full range of medical and surgical services, you’re going to love Lovelace Westside Hospital.
